**Re: Inordinate delay in publishing FT Pre promotional examination Result**

Dear Sir,

As you are aware that Pre promotional examination for the promotion under FT from Sc-1 to Sc-IV was conducted on 23rd Feb, 2020 and result of which is still awaited. We have been trying to find out from GIPSA Executives but no clear picture has been communicated to us.

In this context, we would like to mention that delay in declaring result is causing undue anxiety in the minds of Examinees which is leading to doubts and suspicions on the issue.

Please recall our discussion, at your office on 30<sup>th</sup> Jan 2020, where you have informed us that result will be declared at the earliest but we regret to notice that the same has not been declared yet.

We once again request your personal intervention to ensure declaration of result without any further delay.

Thanking you

Yours Truly

(Vijay Kumar Mishra)

Secretary General
